

Wine and Spirit List

Our Love for Wine

“Wine is one of the most civilized things in the world and one of the most natural things of the world that has been brought to the greatest perfection, and it offers a greater range for enjoyment and appreciation than, possibly, any other purely sensory thing.”

– Ernest Hemingway

At Bref and Gai @ M Resort, our love for wine extends beyond the glass—it is a companion to our cuisine, a reflection of the land, and a tribute to the hands that cultivate it. We believe in wines that tell a story, those crafted with passion and precision, from vineyard to bottle.

France is our first love, a natural choice given Chef Darren’s time living and working there. Each year, we return to its classic regions and lesser-known villages, where extraordinary wines are made by dedicated artisans who remain untouched by fleeting trends. With every visit, we renew friendships, discover hidden gems, and deepen our appreciation for each vintage.

In curating this list, we offer a thoughtful selection of wines by the glass and in smaller formats—an invitation to explore, taste, and experience the harmony between chef and oenologist.

Let the adventure begin.

Chef-Patron**

His commitment to quality and global recognition has made Gaja a benchmark in luxury wine.

Sommelier's Picks by the Glass

"By the glass" often means mass-produced wines at a steep markup. At Bref and Gai, we see it differently. To us, it's an opportunity—to make a statement, to offer a warm welcome, to share something truly special. Our selections are handpicked, ever-evolving, and crafted by dedicated winemakers who care as much as we do. Let us pour you something worth savoring.
